## CSHP Manitoba Branch Innovative Practice Award

### Sponsored by SteriMax Inc.

The CSHP Innovative Practice Award recognizes a member for his/her innovation in clinical pharmacy practice by implementing a project, protocol, process, educational initiative, or innovative clinical service that advances pharmacy services and/or patient care.

#### Award Description

- The award consists of a cheque in the amount of \$500.
- The award will be issued by the Branch to the primary applicant. Subsequent sharing will be the responsibility of the award winner(s).
- The award will be presented at the Annual General Meeting of the Branch on an annual basis.
- The award will also include a framed certificate with the winner's name(s).

#### Eligibility Criteria

- The applicant shall have been a CSHP member for a minimum of 3 years including the year of application.
- The award is open to all CSHP members of the Manitoba Branch who are in the active or active-in-training categories.
- The applicant shall not have won the Innovative Practice Award in the previous year

#### Submission Requirements

The electronic submission should include

- A written submission (not exceeding 1000 words) describing how the project was developed and implemented and outlining either the nominee's skills and accomplishments in providing an innovative clinical service or how it improved the education of others. Additionally, please explain if this initiative has ever been implemented before and how it advances pharmacy services/promotes the recognition of pharmacy. Define the number of team members involved in the initiative and if it improves patient care/safety, workflow, efficiency or cost. Comment on the sustainability of the project and if it has a lasting impact that can be applied to other care settings. Finally, describe the importance of the initiative to hospital pharmacy practice and its alignment with CSHP's strategic direction.
- Any supporting documents that further describe or highlight the project, protocol, process or educational initiative. For example this may include, but not limited to, a publication, abstract, survey, poster, evaluation or protocol
- More details may be requested by the Awards Committee as necessary

The winner(s) shall be responsible for submitting a summary their project to the Branch newsletter, Pharmashare.

#### Application Deadline

The deadline for the submission is January 31st annually.
